

# MODERN PACKAGING

## INDEX TO VOLUME 19

SEPTEMBER 1945 TO AUGUST 1946

### GENERAL ALPHABETICAL INDEX

#### A

	Month	Page
<b>ABRASIVES</b>		
Carborundum—one name for the family.....	June	120
<b>ACETATE</b>		
Acetate adhesion welding with solvents.....	July	120
Ashtray coasters in tubular acetate container; Trayco Co.....	August	106
Perfume and cosmetic containers; gift packages.....	May	88
Transparent book covers for children's books; Grosset & Dunlap.....	February	117
Transparent box manufacture; fabricating process.....	June	130
Transparent containers for perfume bottles.....	March	154
Transparent dispenser for radio dial cord; JFD Manufacturing Co.....	July	118
Transparent tubular cover for Reynolds pen.....	April	119
Acids. <i>See</i> Chemicals.		
<b>ACRYLICS</b>		
Designing with acrylics. D. A. Rochrock.....	February	112
Perfume bottle containers.....	May	88
Picture-frame boxes for heroes' decorations.....	October	122
Transparent containers for perfume bottles.....	March	154
<b>ADHESIVES</b>		
Accessory functions of adhesives. Frank C. Campbell.....	October	148
Acetate adhesion; solvent adhesives.....	July	120
Adhesives for coating aluminum foil.....	September	146
Case liners; sealing and closing.....	February	150
Equipment for solvent adhesives.....	January	144
Flocking adhesives; Paisley Products, Inc.....	March	216
Glued unit loads cut breakage of bottled goods; National Distilleries Products Corp. Charles W. Braden.....	January	118
Non-aqueous sealing adhesives for sealing corrugated boxes and folding cartons.....	December	130
Polyvinyl acetate resins as adhesives.....	October	182
Problems of the adhesive formulator. F. P. Bartlett, Jr.....	December	132
Resyn Adhesives—When and How to Use Them; National Adhesives.....	October	176
Specifications for adhesives; methods of writing. Gerald Reinsmith.....	April	153
Supply and price prediction for 1946.....	January*	90
<b>ADVERTISING</b>		
Display Gallery. <i>See</i> Table of Contents, page 4 of Modern Packaging, each month.		
Packaged press party; Electronic Corp.....	January	168
Packaging display, a plus in public relations; display window technique for the manufacturer. D. B. Stone.....	February	118
Presenting your package at the point of purchase. William H. Carmichael.....	April	152
<b>Affiliated Bakers Co.</b>		
Cookies and spice in folding cartons; fruit cake in glass jar.....	April	117
<b>AIR CARGO</b>		
Air cargo problems; carriers' viewpoint. Emery F. Johnson.....	April	120
Air rates for fresh fruits and vegetables.....	May	107
Air Transport of Agricultural Perishables (reviewed); U. S. Dept. of Agric.....	May	164
Bag-making machines by air; Kono Transparent Container Co.....	July	116
Flowers by air in eye appeal packages.....	January	100
Frozen pack for serums; Lederle laboratories.....	July	115
Iceless pack for seafood; air-borne. Spencer A. Larsen.....	December	104
Packaging for air cargo shipment. Paul E. Burbank.....	April	144
PCA's fish package with kraft-foil liner.....	December	107
Produce by air, pre-packaged and pre-cooled; Ralph E. Myers Co.....	November	96
Refrigerator for perishable air cargo (flowers); United Air Lines.....	September	110
Veneer crate vs. fibreboard for vegetables.....	March	178
<b>AIR CONDITIONING</b>		
Packaging precision bearings in air conditioned work-rooms.....	May	126
<b>ALCOHOLIC BEVERAGES</b>		
Glued unit loads cut breakage of bottled goods; National Distilleries Products Corp. Charles W. Braden.....	January	118
New labels linked to the old; Roma Wine Company..	April	114
Sale of wine by package; survey of Wine Advisory Board by Wine Institute.....	September	176

	Month	Page
Wine labels; sales value; Danforth Wines Limited...	September	106
Ali Baba Corp.		
Margaret O'Brien cosmetic line for little girls.....	July	122
<b>ALL-AMERICA PACKAGE COMPETITION</b>		
Competition for 1946. C. W. Browne.....	October	104
Deferment of Competition.....	August	92
<b>ALUMINUM</b>		
Breather, designed to dry air breathed into an enclosure under storage conditions.....	October	110
Decorated aluminum vials; Victor Metal Products..	October	172
Production and price trend in 1946.....	January	92
Shipping sheet with more efficient packaging; new method of packing tubing.....	December	120
Spun aluminum container for men's toiletries ("Character").....	May	89
Three-piece closure for sterile dispenser.....	March	159
Aluminum Co. of America		
Balanced pressure barrier for field artillery and anti-aircraft guns.....	October	107
Packaging at Alcoa mills—sheet, tubing, etc.....	December	120
Aluminum foil. <i>See</i> Foil.		
American Home Products Corp. <i>See</i> Whitehall Pharmaceutical Co.		
American Institute of Laundering		
Joint survey with MODERN PACKAGING of packaging methods.....	February	91
American Management Association		
Annual Packaging Conference and Exposition. <i>See</i> Packaging Conference and Exposition.		
Local conference Sept. 1945; digest of official transcript of meeting.....	October	131
American Merchant Marine Conference; Packaging panel.....	November	126
American Soil Products Co., Inc.		
Soil-testing kit.....	October	112
American Standards Assn.		
Catalog of American Standards.....	July	156
Amling's of California, Inc.		
Flowers by air in eye appeal packages.....	January	100
<b>ANIMAL FOODS</b>		
Package for calf food.....	July	144
<i>See also</i> Dog Food.		
Anti-mycotic agents. <i>See</i> coatings.		
Apparel. <i>See</i> clothing.		
<b>APPETITE APPEAL</b>		
Good to eat; appetite appeal for health foods (Chop-lets, etc.).....	March	168
Army and Navy specifications. <i>See</i> Wartime Packaging.		
<b>ASBESTOS</b>		
Cushioning agent in packaging electrolyte.....	September	129
Australian packaging. <i>See</i> Foreign Packages.		
<b>AUTOMOBILE SUPPLIES AND PARTS</b>		
Cadillac parts in streamlined dress; color scheme... Protective packaging; handling devices; Detroit exhibit sponsored by L. T. Swallow & Associates...	September	109
Tire repair materials (Match-Patch); carton with flap printed as mailing coupon; W. J. Speaker Corp.....	December	101
Valve packaging; Montgomery Ward & Co.....	October	113
<i>See also</i> Spark Plugs.	August	97
Ayer, Harriet Hubbard		
Plastic dispenser top for talcum powder.....	February	116

#### B

Bag inserter; Benj. C. Betner Co.....	May	160
<b>BAG MAKING MACHINES</b>		
Bag and envelope making machine; Heat-Seal-It Co.....	June	160
"Roto" bag machines; shipment by air; Kono Transparent Container Co.....	July	116
<b>BAGS</b>		
Bag with carrying handle—European origin.....	January	109
Coated fabrics for bags.....	June	156
Design principles.....	September	122
Fixed flour sizes; a simplification achievement. Wallace F. Janssen.....	December	96
Heat sealable export bag; Specialty Packaging Division of Marathom Corp.....	September	154
Multi-wall bags; Army use.....	November	146
Multiwall paper shipping sacks tested by The Bemis Bro. Bag Co. at Niagara Falls.....	January	152
Protective bags from triple-laminated cellophane; laminated foil; wax-coated rigid cardboard containers; heavy duty X-Creped sheets.....	June	152

	Month	Page
Printed cellophane for candy packaging; Sylvania Industrial Corp.....	June	180
Soda straws guard the Navy's time; packaging marine chronometer.....	November	127
Visible cereals; bag in folding box with die-cut window; Poph-Itt Cereal Co.....	February	116
Wrappers for quick frozen poultry; Dee-Jay Farms..	February	122
Wraps and boxes for sheets and pillow cases.....	June	95
<b>CELLULOSE</b>		
Pressure sensitive printed cellulose tape; Topflight Tool Co.....	September	154
Viscose cellulose film for a sterilizable package; Hospital Liquids, Inc.....	April	132
<b>CELLULOSE ACETATE</b>		
Acetate wrappings for air-borne produce; Ralph E. Myers Co.....	November	98
Folding box with cellulose acetate window for small taps; Greenfield Tap and Die Corporation.....	October	192
General characteristics.....	May	143
Hypodermic needles packaged in strips of cellulose acetate; Becton, Dickinson & Co.....	October	118
Transparent cellulose acetate films; adhesion; welding with solvents.....	July	120
Watch case with re-use value; Helbros Watch Co....	December	109
Water-vapor permeability.....	November	142
Wet strength of cellulose acetate.....	October	166
<b>CELLULOSE ACETATE BUTYRATE</b>		
Butyrate stripping compound.....	March	205
<b>CELLULOSE-NITRATE</b>		
General characteristics.....	May	143
Cellulose Propionate. <i>See</i> Propionate, Cellulose.		
Ceramics. <i>See</i> Pottery Containers		
Cereal packaging. <i>See</i> Food Packaging—Dry Products.		
<b>CHAIN STORES</b>		
Pre-packaging experiments with produce.....	July	101
Cheese. <i>See</i> Dairy Products		
Chemical Industries Exposition.....	March	264
<b>CHEMICALS</b>		
Chemicals for Industry (reviewed); Rohm & Haas Co.....	April	188
Danger, and how it is met; precautionary labels for hazardous chemicals; Manufacturing Chemists Assn.....	September	114
Dressed-up salt; Deltaseal paper bags for Sterling Salt; International Salt Co.....	May	115
Improved tube-dye package.....	April	170
Package for electrolyte, a war problem. L. W. Bauer.....	September	129
Polystyrene closures for acids.....	September	172
Pottery containers.....	March	133
Recharges for fire extinguishers; lithographed metal cans packed in folding box; Pyrane Manufacturing Co.....	August	118
<i>See also</i> Drug Trade.		
Chess, Mary.....	June	119
Accordion box for bath preparations.....	June	119
Roman Bath Oil bottles with Transvision labels, enclosed in telescope boxes.....	January	109
Chicago show for the industrial packaging field; Industrial Packaging Engineers Assn. of America.....	April	138
Chicopee Sales Corp.....	July	119
Chix Down-Weve gauze diapers in candy-stripe carton.....	July	119
<b>CHILDREN'S PACKAGES</b>		
Margaret O'Brien line of cosmetics for little girls; Ali Baba Corp.....	July	122
Oz characters on ice cream mix package; Homix Products, Inc.....	April	119
Young market; how should you package for it?.....	December	87
<i>See also</i> Toys and Games.		
Christmas packages. <i>See</i> Gift Packaging.		
<b>CIGARETTES</b>		
Aroma tightness; moistureproof cellulose or metal foil.....	December	149
<b>CIGARS</b>		
Pliofilm wrapping.....	November	174
Citrus Foods, Inc.....	February	136
Orange juice frozen in cellophane bags.....	February	136
<b>CLOSURES</b>		
Air-tight closures; history.....	August	110
Aluminum peel-off top, serum-type caps for ethical drug containers.....	November	164
Closure appeal; contour and color at low cost; threaded metal; Crown Cork Specialty Corp.....	October	114
D.D.T. with dispenser cap.....	June	118
Materials and prices in 1946.....	January	91
Multi-wall bag Aquatex closure.....	February	105
Polystyrene closures for acids.....	September	172
Polystyrene screw type for electrolyte container.....	September	129
Resealing closure for glass coffee jar.....	April	108
Three-piece aluminum closure for sterile dispenser.....	March	159
Types for pottery containers.....	March	136
<b>CLOTHING</b>		
Dresses packaged in cellophane.....	June	182
Men's wear; shirt packaging.....	June	99
Three products; three colors for containers; Julius Kayser & Co.....	March	144
<i>See also</i> Hosiery; Textile Products.		
<b>COATING MACHINE</b>		
Paper coating machine ("Microjet"); John Waldron Corp.....	August	152
<b>COATINGS</b>		
Anti-mycotic coatings.....	November	136
Case liners; outline of requirements. Walter L. Hardy.....	February	148

	Month	Page
Coated papers and implications thereof. W. H. Graebner.....	December	132
Coating or saturating to impart functional properties to paper sheet or board.....	August	138
Let it break! nitrocellulose plastic coating for bottles.....	April	107
Organosols, new dispersion coatings. Justus Hoyt..	March	193
Polyvinyl alcohol resins as greaseproof coatings...	October	160
Resin for sterilizing coatings; Resinous Products & Chemical Co.....	September	154
Saran coating latex; properties and uses. G. W. Stanton and W. A. Henson.....	March	194
Spangled decorative finish, "Cellophane Spangles"; Rayon Processing Co.....	August	152
Strip type coating for civilian use; "Dipwrap"; Paisley Products, Inc.....	November	148
Strip-type plastic coating ("Plastipak"); Puritan Co., Inc.....	July	150
Supply for 1946.....	January	92
Surface-Coating with Flock; booklet; Rayon Processing Co.....	March	222
Vinyl white coating enamel; Roxalin Flexible Finished, Inc.....	January	148
<b>COFFEE PACKAGING</b>		
Cellophane coffee in dispensing carton; Joseph Martinson & Co.....	March	147
Cloth bag with laminated liner.....	October	147
Coffees designed for modern living; soluble coffee products; packaging, labeling, sealing, etc.....	December	122
Flexible containers; adaptation of designs previously used on metal or glass.....	September	123
Frozen coffee in paper cups packing in folding carton overwrapped with printed cellophane cover; Cusack Coffee Co.....	October	113
Individualized coffee; heat-sealed packets of Barrington Hall Instant Coffee; Baker Importing Co..	June	119
Metal strips for coffee bags.....	February	152
New glass package for coffee; new jar, resealing closure, vacuumizing machines; Owens-Illinois Glass Co.....	April	108
Samples in transparent, partitioned box.....	November	110
Vacuum-packed coffee for civilians; American Can Co.....	November	148
Vibratory packers and fillers.....	October	128
<b>COLLAPSIBLE TUBES</b>		
Early manufacture.....	August	113
Production possibilities and prices for 1946.....	January	93
<b>COLOR</b>		
Booklet on Inter Society Color Council—National Bureau of Standards method of color designation; General Printing Ink Co.....	April	182
Color on opaque background compared with transparency.....	October	138
Color Power (releases by Color Research Institute of America).....	April	188
Experimentation with color for hardware packages; Yale & Towne Manufacturing Co.....	June	107
Melmac, shock resistant plastic available in color; American Cyanamid Co.....	April	174
Novelty stationery and boxes.....	June	112
12 trade names reduced to 1; color identification; Pyrene manufacturing Co.....	August	116
2-color designs combined with black; Australian experience.....	October	112
Communications equipment that works in its wrappings. Condiments. <i>See</i> Food Packaging.	September	128
<b>CONSUMER CONVENIENCE</b>		
Housewives' preferences on food containers.....	August	92
<b>CONSUMER INFORMATION</b>		
Picture and multi-language directions; soup packaging for European relief feeding; Flavor Service Corp. and UNRRA.....	January	108
<i>See also</i> Labels.		
Container Corp. of America.....	April	95
Design laboratory visualizes the package at work....	April	95
Container Corporation (Design Laboratory)	April	125
Lamp shade prepackaged with gift appeal; Progressive Industries.....	April	125
Continental Can Co.....	November	176
Paper with metal ends for frozen foods.....	November	176
<b>CONVEYORS</b>		
All-steel conveyor belt; Steel Parts Mfg. Corp.; "Steelok" conveyor; portable conveyor system of Food Machinery Corp.....	October	172
Traffic control mechanism; Alvey Conveyor Mfg. Co.....	December	160
Utilize the 'Air Rights' of Your Ceilings (reviewed); Lamson Corp.....	May	164
Cook Electric Co.....	December	151
Canned for life; product works in its package; "Stratopax".....	December	151
<b>CORD AND TWINE</b>		
Multiwall bags for baler and binder twine; International Harvester Co.....	January	98
Corkscrews that work; scientific analysis. Paul Fredrickson.....	May	130
<b>CORROSION PREVENTION</b>		
Better base plate for better food cans. B. S. Clark and K. W. Brighton.....	March	148
Case liners; outline of requirements. Walter L. Hardy.....	February	148
Cleaning, rust preventives; discussion at IPEAA conference.....	May	137
Corrosion preventive packaging in export shipments. Charles A. Southwick, Jr.....	November	126
Packaging metal parts. Dr. C. E. Waring.		
1. Corrosion prevention starts on the production line.....	January	135
2. Final corrosion and unit packaging.....	February	143
3. Strip coatings.....	March	204

	Month	Page
Precision bearings; protective packaging.....	May	128
Sorptive paperboard in protective packaging. R. C. Rietz and L. O. Anderson.....	March	200
Strip-coating.....	December	102
<b>CORRUGATED BOARD</b>		
Early manufacture and use.....	August	111
See also Shipping Containers.		
<b>COSMETICS AND PERFUMERY</b>		
Accordion style box for Mary Chess' bath preparations.....	June	119
Bar for beauty; compact featuring 5 cosmetics; Constance Bennett Cosmetic Co.....	April	116
Cosmetic line for little girls; Margaret O'Brien line; Ali Baba Corp.....	July	122
Fashion-cologne tie-in; Junior Guild Procks, Inc.....	March	146
Federal Food, Drug and Cosmetic Act requirements. See Law and Legislation		
Gift containers; forecast for 1946.....	May	88
Melamine container for "Photo Finish," cake make-up remover; Elmo Sales Corp.....	December	108
Paper tubes for Clarion lipstick and powder; Du Barry.....	November	109
Perfume containers of transparent methyl methacrylate in form of guitars, banjos, etc.; over-all paper-covered set-up boxes; Bizet, Parfums.....	September	113
Perfume in miniature pianos; Bizet Parfums.....	July	118
Plastic dispenser top for talcum powder; Harriet Hubbard Ayer.....	February	116
Price tickets—who should put them on? Price-fixed merchandise (e.g. cosmetics) in department stores.....	November	89
Success story from Cape Cod; Bayberry Mist cologne, bath salts, etc.; locality appeal in decoration; T. G. and M. H. Blakeman.....	November	112
Young market; how should you package for it?.....	December	87
See also Toilet Accessories		
<b>COUNTER DISPLAYS</b>		
Developer packets, 100 in display carton; Eastman Kodak Co.....	January	113
Display unit for individualized coffee packets.....	June	119
Easel-back metal display for nylon hosiery; Rosedale Knitting Co.....	February	125
Help! for the clerk at point of sale; display cartons; Dow Chemical Co.....	July	105
Merchandisers of wood and acrylic sheet for plastic containers of pencil leads; W. A. Sheaffer Pen Co.....	July	131
Point-of-sale pieces for utility black paint; Devoe & Reynolds.....	April	134
Self-service unit for sheets of silverware polish; The Munising Paper Co.....	November	109
Toothbrushes (Dr. West's Miracle-Tuft) and paste; Weeco Products Co.....	June	144
Toys; impulse sales.....	May	101
See also Dispensers.		
<b>COUNTING MACHINES</b>		
Electronic counting and measuring device; Radio Corp. of America.....	July	150
Photoelectric counting devices; The Autotron Co.; Potter Instrument Co.....	May	160
Tablet counting and filling machine; Enu-Matic Equipment Corp.....	April	176
Cross, Mark.....		
Men's toiletries, "Cross Country" line.....	August	99
Crosse & Blackwell.....		
Currie tricks; bottled powder and informative recipe folder in folding carton.....	August	106
Cudahy Packing Co.....		
Self-coloring package for oleomargarine (Delrich brand).....	June	136
Cusack Coffee Co.....		
Frozen coffee in paper cups packed in folding carton overwrapped with printed cellophane cover.....	October	113
<b>D</b>		
<b>DAIRY EQUIPMENT</b>		
Fibre milk containers; manufacture and use.....	November	125
The milk container, paper and glass; Alexander Morrow.....	July	95
Milk containers; butter boxes; cheese drums.....	March	178
<b>DAIRY PRODUCTS</b>		
Condensed milk manufacture, 1853; Gail Borden.....	August	110
Dried milk—a test of consumer acceptance (Houston, Texas); packaging methods. Hugh L. Cook and R. W. Hoecker.....	December	110
Gift packages for cheese.....	May	92
Greaseproofing for butter cartons.....	October	166
Milk (frozen) keeps for months in paper cartons.....	January	128
Pliofilm wrapping of processed cheese.....	November	173
Propionate treatment of parchment to inhibit mold on butter. J. C. Olson, Jr., and H. Macy.....	April	166
Wrap-carton, "Mullinix".....	March	138
Danforth Wines Limited.....		
Wine labels; they can't be lazy; merchandising value.....	September	106
Decorated containers. See Lithography.		
Decorative papers. See Fancy papers.		
Dee-Jay Farms.....		
Well-dressed birds, for a broader poultry market... Definitions. See Terminology.	February	122
Dehydrated Foods. See Food Packaging.		
Denison Laboratories.....		
Versatile drug label.....	April	118
Dennison Mfg. Co.....		
Booklet, If You Could Only Be at Every Point of Sale.....	March	222
Handy dispenser for Pres-a-ply labels.....	May	114
Dental merchandising; new product, new package, new sales aids for Dr. West.....	June	144
<b>DEPARTMENT STORES</b>		
Frozen food business; Frozen Food Foundation.....	May	184
Gift wrapping service.....	May	96

	Month	Page
<b>DESIGNERS, INDUSTRIAL</b>		
Postwar packaging and the designer. James Harley Nash.....	October	142
The role of the designer; his contribution to package development; symposium.....	July	89
<b>DESIGNING</b>		
Handbook of designs and devices (reviewed). Clarence P. Hornung.....	June	164
See also Package Designing.		
Devoe & Reynolds Co.....		
Picture labels that pinch hit for the salesman.....	April	133
<b>DISINFECTANTS AND INSECTICIDES</b>		
"Civvies" for bug bombs; Aer-a-sol insecticide bombs packed individually in eye-appeal boxes; Bridgeport Brass Co.....	February	117
Display carton for insecticide kit, weed killer, etc.; Dow Chemical Co.....	July	105
D. D. T. with dispenser cap.....	June	118
Midget bug bombs; dispenser; display unit; Matco Products, Inc.....	July	119
<b>DISPENSERS</b>		
Box for Pres-a-ply labels; Dennison Mfg. Co.....	May	114
Cellophane coffee in dispensing carton; Joseph Martinson & Co.....	March	147
Cleansing tissues box; Personal Products Corp.....	April	116
Counter dispenser cartons of Bayer Co.....	August	105
Feed-measure tape dispenser; Better Packages, Inc.....	March	173
Flexible corrugated dispenser; Sherman Paper Products Corp.....	July	150
Individual dispensers with bottles of "Hair Mist" and Orange Blossom beauty lotion; Vonett Sales Co.....	December	108
Midget bug bombs in folding cartons; display unit; Matco Products, Inc.....	July	119
"Mr. Bartender" (liquor pouring device); package and display; Modern Engineering & Development Co.....	August	107
Plastic dispenser top for talcum powder; Harriet Hubbard Ayer.....	February	116
Sterile dispenser for dried human blood cells; Sharp & Dohme.....	March	159
Tablet dispenser.....	August	148
Transparent dispenser for radio dial cord; JFD Manufacturing Co.....	July	118
Tubular bandages easy for the doctor to use; Surgitube Products Corp.....	March	185
<b>DISPLAY DESIGNING</b>		
Designing with acrylics. D. A. Rothrock.....	February	112
Display Gallery. See Table of Contents, page 4 of Modern Packaging, each month.		
<b>DISPLAYS</b>		
Design subtleties that increase display value; Vicks Chemical Co.....	October	116
Fire extinguisher recharges for counter or window use; Pyrene Manufacturing Co.....	August	119
New display fabrics.....	April	174
Packaging display, a plus in public relations; bottling plant display window technique. D. B. Stone.....	February	118
See also Counter Displays; Floor Displays; Window Displays.		
<b>DOG FOOD</b>		
Meaty Meal Dog Food in flexible container.....	September	125
Dow Chemical Co.....		
Counter displays for weed killer, insecticide kit, etc..	July	105
Plastics Primer.....	March	224
Dried milk. See Dairy Products		
<b>DRUG TRADE</b>		
Accent on Bayer . . . spotlights the brand name; counter dispenser cartons.....	August	105
Design subtleties that increase display value; Vicks Chemical Co.....	October	116
Desiccant for drugs; guards potency of penicillin; Wyeth, Inc.....	January	121
Export shipments; Method II pack.....	November	158
Family design for an ethical line; revisions to meet Food and Drug Act requirements; Bristol Laboratories, Inc.....	November	101
Labeling requirements of Federal Food, Drug and Cosmetic Act.....	September	95
Medicated plasters in redesigned containers; types identified by color; Johnson & Johnson.....	September	170
Moisture protection. Charles E. Waring.....	April	143
Penicillin packaging; Bristol Laboratories, Inc.....	November	101
Pharmaceuticals; packaging materials. H. E. Nack.....	April	144
Redesign program for Anacin, Bi-So-Dol, Kolynos and other products of Whitehall Pharmaceutical Co.....	February	106
Sanitary precautions of manufacturers.....	June	140
Serum shipment. See Medical and Surgical Supplies.		
Suppositories molded and wrapped in one operation; Eaton Laboratories, Inc. Charles Weckesser.....	June	100
Versatile drug label; Denison Laboratories.....	April	118
Vibratory equipment for packing powdered products and pellets.....	October	128
See also Chemicals; Medical and Surgical Supplies.		
<b>DRUMS</b>		
NCA Manual Sheet D-50 covering handling of fibre drums.....	August	156
Three types; their uses.....	March	176
See also Shipping Containers.		
du Pont de Nemours, E. I. & Co., Inc.....		
Cellophanes look alike but there are "57 varieties." W. G. Hunter.....	June	110
Dyes. See Chemicals.		

	Month	Page
<b>E</b>		
Eastman Kodak Co. Developer packs; heat-sealed, laminated foil envelopes clipped to paperboard folder; display carton.....	January	112
New coordinated program for 35,000 Kodak packages.....	October	91
Package development.....	December	138
Eaton Laboratories, Inc. "Lorophyn" suppositories molded and wrapped in one operation. Charles Weckesser.....	June	100
Electric Bulbs. <i>See</i> Lamp Bulbs.		
Electric Eye. <i>See</i> Photoelectric Cell.		
<b>ELECTRICAL APPARATUS AND APPLIANCES</b> Bin size for the jobber's convenience; Belden Manufacturing Co.....	July	106
Canned for life; product works in its package; Cook Electric Co. (Stratopax).....	December	151
Wood tubes for street-light film cutouts.....	September	134
Electrolite. <i>See</i> Chemicals.		
Electronic Corp. Packaged press party.....	January	168
<b>ELECTRONICS</b> Air purification by Precipitron.....	May	126
Counting devices; The Autotron Co.; Potter Instrument Co.....	May	160
Electronic counting and measuring device; Radio Corp. of America.....	July	150
Electronic heat sealer (Thermatron); Radio Receptor Co., Inc.....	April	190
Electronic seamer for thermoplastic films; Union Special Machine Co.....	July	148
Electronics eliminate bread mold.....	December	174
Export packages of Western Electric Co.; wartime and peacetime.....	December	136
Heat-sealer; Singer Sewing Machine Co.....	May	120
Technique of packaging hypodermic needles in cellulose acetate strips.....	October	119
Elmo Sales Corp. Melamine container for "Photo Finish," cake make-up remover.....	December	108
Engineers, Packaging. <i>See</i> Package Engineering.		
<b>ENVELOPES AND PACKETS</b> Heat-sealed, laminated foil envelopes for M-Q Developer; Eastman Kodak Co.....	January	112
Individualized coffee; heat-sealed packets for Barrington Hall Instant Coffee.....	June	119
<b>ETHYL CELLULOSE</b> Compound, Ethyl Cellulose, Stripping.....	March	204
General characteristics.....	May	143
<i>See also</i> Celcon.		
Eureka Vacuum Cleaner Co. Package promotion program.....	August	124
Ex-Ell Instrument Corp. Thermometers for baby; cradled "Tempty-Taker"....	November	108
<b>EXHIBITIONS</b> Annual convention and industrial packaging show of Industrial Packaging Engineers Assn. of America... Detroit exhibit sponsored by L. T. Swallow & Associates; packaging materials, handling devices, etc.....	January	152
Industrial Packaging Exposition.....	December	101
	May	137
<b>EXPORT PACKAGING</b> Export conference; packaging experts report to Merchant Marine; summary of addresses.....	November	126
Latest developments in Army and Navy specifications; civilian applications. H. T. Holbrook.....	October	152
Package from home—happy arrival; protective packaging of gift packages to Armed Forces; B. F. Goodrich Rubber Co.....	September	97
Postwar export; modification of military requirements. F. C. Edleston.....	September	132
<b>EYE APPEAL</b> Flowers by air in eye appeal packages.....	January	100
Lamp shade prepackaged with gift appeal; Progressive Industries.....	April	125
Pottery containers.....	March	132
Toys demand better pre-packs and eye appeal.....	May	98
<b>F</b>		
Fabrics. <i>See</i> Textile Products		
Families of Packages. <i>See</i> Package Families.		
<b>FANCY PAPERS</b> Box wraps for stationery.....	June	112
Decorative-type papers with limited functional properties.....	August	162
Gift supplies; design trends of decorative papers....	May	92
<b>FIBRE CONTAINERS</b> Fibre can and its peacetime prospects; lap-seam cans, moisture-proof cans, etc. D. G. Magill.....	November	122
Free-fall container, dropping from air without parachute; Forest Products Laboratory.....	December	128
Frozen fruit and vegetable packages 1941-1944.....	January	132
New developments in paperboard packages. J. D. Malcolmson.....	December	130
Origin.....	August	112
Peacetime possibilities of V and W boxes. E. A. Throckmorton.....	October	151
Tubular fibreboard telescope box for Reynolds pen.....	April	119
<i>See also</i> Drums; Shipping Containers.

<b>SARAN</b>		
General characteristics.....	May	143
Saran coating latex; properties and uses. G. W. Stanton and W. A. Henson.....	March	194
Satchel bag packaging machine; Fred Goat Co.....	June	160

<b>SCIENTIFIC INSTRUMENTS</b>		
Export packaging.....	September	164
Fragile articles (Sperry Gyroscope Co.). R. G. Anderson.....	April	142
Soda straws guard Navy's time; packaging marine chronometer; Hamilton Watch Co.....	November	127
Thermometers for baby; cradled "Tempy-Taker;" gift package; Ex-Ell Instrument Corp.....	November	108

<b>SEALING EQUIPMENT AND SUPPLIES</b>		
Bag sealer; Model "E" Krimpac; Pack-Rite Machines.....	March	170
Band sealer; Package Machinery Co.....	March	171
Bottle hooding machine; Package Machinery Co....	November	148
Cellulose bands applied automatically. American Machine & Foundry Co.....	May	160
Continuous heat sealer; Wrapade Machine Co.....	June	160
Double-drive rotary heat sealer; Pack-Rite Machines.....	July	148
Electronic heat-sealer; Singer Sewing Machine Co..	May	120
Electronic heatsealer (Thermatron); Radio Receptor Co., Inc.....	April	190
Heat-sealing machines for tea bags.....	February	102
Heat-sealing polyethylene film.....	November	107
Heat sealing precision bearings.....	May	127
Hydraulic crimper; Seal-Craft, Inc.....	February	156
Pistol-grip heat sealer; Sta-Warm Electric Co.....	March	216
Rotary heat-sealing machines; Doughboy Industries.....	June	160
Vacuum sealing of glass containers by Steriseal; Anchor Hocking Glass Corp.....	March	170
Vacuizing-sealing machine for coffee jars.....	April	110
Waterproof sealing solvent in "dry" form.....	September	154
See also Adhesives.		
Sealing temperature and WVP, a correlation in effectiveness of waxed papers. William Rabak and J. B. Stark.....	April	157
Sealright Co., Inc.		
Frozen food container for home use.....	March	264
Seeds. See Garden Supplies.		
Self-service Stores. See Markets.		

<b>SERVICE INDUSTRIES</b>		
Laundry, ready for better packaging; potential market for packaging materials; business-building job for the laundry.....	February	91

<b>SET-UP BOXES</b>		
Simulated wood and leatherette for candy; re-use value.....	May	91

<b>SET-UP BOXES: PAPER</b>		
Accordion box for Mary Chess bath preparations....	June	119
Boxed power houses; Kelmar Corp.....	March	146
Cologne bottle container; Junior Guild Frocks, Inc.....	March	146
Commercial development.....	August	112
Compartmented boxes for suppositories.....	June	100
Display box cake decorator sets; Wecolite Co.....	April	118
End printing set-up boxes.....	July	144
History of Packaging During World War II, Report 2—Set-Up Paper Boxes (reviewed); Packaging Institute.....	January	152
Material shortages; scarcity of machinery.....	January	91
Over-all cover for perfume containers in form of guitars, banjos, etc.; Bizet, Parfums.....	September	113
Reprint of section in 1945 Packaging Catalog on set-up boxes; National Paper Box Mfgs. Assn.....	September	158
Rigid paperboard box with 5 inner cartons; repair kit for fabrics; Mendex Corp.....	April	117
Stationery box wraps.....	June	112
Suede covered box decorated with felt pieces simulating feminine figures, satin ribbon, plastic flower; "Luisa" candies; Armando Spagnoli.....	January	108
Telescope box for borosilicate glass jar.....	March	159
Telescope boxes enclosing bath oil bottles; Mary Chess.....	January	109
Three products, three colors; Julius Kayser & Co....	March	144
Watch case covered with brown simulated leather; re-use value; Helbros Watch Co.....	December	109

<b>SET-UP BOXES: WOOD</b>		
Chuck boxes of condiments; Texas Brands Distributing Co.....	March	147
Sexton, John & Co.		
No shelf appeal needed; packaging program.....	July	128
Sharp & Dohme		
Sterile dispenser for dried human blood cells.....	March	159
Shaving soap, lotions, etc. See Toilet Accessories.		
Sheaffer, W. A. Pen Co.		
Flip lid plastic containers for pencil leads.....	July	131

## SHIPPING CONTAINERS

Air cargo; corrugated, nailed wooden boxes; wire-bound boxes.....	April	123
Case liners; outline of requirements. Walter L. Hardy.....	February	148
Compartments for peaches; cell-type box permits marketing of tree-ripened fruits. T. A. Merrill....	February	128
Corrugated cartons for wooden chuck boxes of comments; "gifty" look; Texas Brands Distributing Co.....	March	147
Corrugated containers and veneer crates for airborne produce; Ralph E. Myers Co.....	November	99
Display shipper for elastic braid dispenser cartons; Flexnit Sales Corp.....	February	111
Do fibre box shipping practices need modification? O. B. King.....	April	146
Earned its Ribbons on Every Front; brochure distributed by Weatherproof Corrugated Box Group.....	January	152
Freight damages; causes.....	May	138
High-strength container.....	November	142
Materials testing (panel session):		
G-E Puncture Tester. R. L. Beach.....	April	147
Compression test. T. J. Gross.....	April	147
Conbur Incline Impact Tester. E. Dahill.....	April	148
Drop test. A. L. Green.....	April	148
Revolving drum test for boxes. T. A. Carlson.....	April	149
Vibration test. E. R. Stivers.....	April	149
Correlating laboratory tests with actual performance. R. C. McKee.....	April	149
Over-packing in wood for fibreboard box of spices inserted and sealed in laminated kraft bag.....	September	105
Paper shipping sacks; General Manual No. 1 issued by Paper Shipping Sack Mfgs. Assn.....	March	222
Sales message of postwar commercial export packing.....	September	164
Standards for case liners. B. W. Scribner, F. T. Carson and C. G. Weber:		
1. Materials tested and methods of testing.....	April	161
2. Test data, correlations and recommended standards.....	May	150
Supply and demand for 1946; container board, corrugated and solid fibre boxes, fibre drums, steel drums.....	January	93
V-board containers; postwar use. J. D. Malcolmson.....	November	158
Weatherproof fibreboard drum.....	November	128
Wooden boxes without nails.....	March	188

## SHIPPING PROBLEMS

Aluminum sheet and tubing; Aluminum Co. of America.....	December	120
Army packaging research. Albert V. Grundy.....	December	129
Glue unit loads cut breakage of bottled goods. Charles W. Braden (National Distillers Products Co.).....	January	118
Latest developments in Army and Navy specifications; civilian applications. H. T. Holbrook.....	October	152
Overseas shipments; wartime and peacetime hazards; JAN specifications. Henry A. Wolsdorf.....	November	160
Palletizing and other handling devices; automotive parts, tools, foods, etc.....	December	101
Shock cushioning... how much and where? A. M. Underhill.....	August	141
Shock-testing device (G-Meter, Model 270); F. D. Schotland.....	July	148

## SILICA GEL

Packaging in Webril (non-woven textile) bags; The Davison Chemical Corp.....	February	104
--	----------	-----

## SILK SCREEN

Labels for "Cross Country" line of men's toiletries; Mark Cross.....	August	99
--	--------	----

## SILVER POLISH

Sheets of polish packaged in hang-up envelopes; The Munising Paper Co.....	November	109
Silver cleaner; aluminum foil packet as catalyst; laminated foil cartons; Trade Sales Division of Interchemical Co.....	March	153
Singer Sewing Machine Co.....	May	120
Electronic heat-sealer.....		

## SMOKERS' ACCESSORIES

Pocket pouches.....	September	127
---------------------	-----------	-----

## SOAPS AND CLEANSERS

Hot-grease products in paper.....	August	148
Society of the Plastics Industry, Inc., The		
Informative labeling educational program.....	January	152
Plastics—The Story of an Industry (reviewed).....	January	152
Soderholm Bakery		
Foil bread wrap.....	January	110
Sorptive paperboard in protective packaging. R. C. Rietz and L. O. Anderson.....	March	200
Spagnoli, Armando		
"Luisa" candies in fancy boxes.....	January	108

## SPARK PLUGS

Unit of pack and unit of sale.....	August	94
Speaker, W. J. Corp.		
"Match-Patch" tire repair materials.....	October	113
Special Foods. See Worthington Foods.		
Sperry Gyroscope Co.		
Packaging fragile articles. R. G. Anderson.....	April	142
Spices. See Food packaging condiments and spices		
Spiegel, Inc.		
Tags that tell and sell; planned program. Rose Epstein.....	December	98
Spiro Powder Co.		
Deodorant powder boxes with sales appeal.....	March	145
Stahl-Meyer		
Beautified meats.....	March	144
Standard Rolling Mills, Inc.		
Packages confound enemy radar.....	January	174

## STANDARDIZATION

Catalog of American Standards; American Standards Assn.....	July	156
---	------	-----

Peanut butter jars and tumblers.....	October	176
<b>STATIONERY</b>		
Feminine letter writers set styles for stationery box wraps.....	June	112
<b>STATIONERY ACCESSORIES</b>		
Fine screen reproduction of art object on Venus pencil box; American Pencil Co.....	December	95
Flip lid plastic containers for pencil leads; W. A. Sheaffer Pen Co.....	July	131
Glamour pen in acetate container with telescope box; Reynolds.....	April	119
<b>STENCILING</b>		
T-handle fountain brush; Marsh Stencil Machine Co.....	March	216
Stensgaard, W. L. & Associates		
Merchandise Presentation (reviewed).....	June	164
<b>STORAGE</b>		
Long-term storage packaging; International Harvester Co.....	May	180
<b>STORES (Retail)</b>		
Changes affecting markets for packaged goods.....	April	150
Importance of store design.....	March	179
See also Chain stores; Department stores.		
Storpedo, parachute delivery container; Storpedette.....	December	126
<b>STOVES</b>		
Packaging 3-burner kerosene range; Montgomery Ward.....	August	97
Students' Contests. See Modern Packaging Magazine Awards.		
Sublimation . . . its packaging requirements. Earl W. Florsdorf.....	November	133
Surgitube Products Corp.		
Tubular bandages . . . easy for the doctor to use.....	March	185

<b>SURVEYS</b>		
Dried milk—a test of consumer acceptance (Houston, Texas). Hugh L. Cook and R. W. Hoecker.....	December	110
Future in foods; survey of packaging trends; condensed from report of Delbert R. French.....	March	174
Laundry packaging; study by MODERN PACKAGING and American Institute of Laundering.....	February	91
Milk containers.....	July	96
Produce pre-packaging in New York and New England. M. P. Rasmussen and H. Platenius.....	August	128
Prospect for 1946; packaging materials and supplies.....	January	87
Types of containers used for frozen fruits and vegetables 1941-1944; <i>Western Canner and Packer</i> .....	January	132
Sylvania Electric Products, Inc.		
Fluorescent tube packs.....	February	174
Sylvania Industrial Corp.		
Candy packaging in printed cellophane.....	June	180
Retirement of Harry H. Replogle.....	February	166

## T

<b>TAGS</b>		
Tags that tell—and sell; planned program. Rose Epstein (Spiegel, Inc.).....	December	98
Vinylite tags; Bakelite Corp.....	June	118
See also Labels.		
<b>TANKS</b>		
Heating and dipping tank for application of plastic coatings; Aeroil Products Co.....	March	216
Tape. See Ribbon and Tape.		
Technical Assn. of Paper & Pulp Industry		
Annual meeting.....	March	258
Tennessee Eastman Corp.		
Booklets: Forming Articles from Extruded Tenite Sheet; Tenite Extrusion.....	January	152
Low-cost plastic sheet, by extrusion.....	May	110
<b>TERMINOLOGY</b>		
For better usage. Charles A. Southwick, Jr.		
1. Films, foils and sheeting.....	November	131
2. Yield values.....	March	191
3. Water-vapor transmission testing.....	July	137

<b>TESTS AND TESTING</b>		
Acceptance tests for glass containers.....	October	140
Aroma and moisture tightness.....	December	149
Case liners; outline of requirements. Walter L. Hardy.....	February	148
Corkscrews; quantitative tests.....	May	131
Dehydrated foods in non-metallic containers; experiments with dried meat. T. J. R. Macara.....	October	162
Design laboratory visualizes the package at work; Container Corp. of America.....	April	95
Fibre containers; testing programs.....	April	146
Food packaging studies at State Experiment Station, Geneva, N. Y.		
1. Durability of certain non-metal materials for bulk packaging.....	June	152
2. Water-vapor protection by certain non-metal packages.....	July	143
3. Significance of WVTR of non-metal packages for dehydrated foods.....	August	144
Furniture packing; macerated paper pack, etc.....	March	182
Gas permeability; isostatic test method. Donald W. Davis.....	May	145
Glass and plastics; resistance to shipping hazards.....	October	124
Glassine . . . its improved packaging properties. C. W. Hoffman and E. G. Penn.....	November	136
Grand Rapids sales test of dehydrated foods. James C. Moore.....	February	138
Hydrogen evolution test of tinplate.....	March	151
Kodak supplies and equipment; Eastman Kodak Co.....	October	98

Maintaining uniform test humidity.....	November	142
Measuring permeability . . . to carbon dioxide and water vapor. Junius D. Edwards and D. B. Stroh.....	October	157
Mechanical tightness, a package-testing method. T. A. Schwarz.....	June	147
Multiwall paper shipping sacks tested by The Bemis Bro. Bag Co. at Niagara Falls.....	January	152
Oxygen-resistant packages; development of a plasticized gelatin.....	September	137
Package testing table; L.A.B. Corp.....	December	160
Packages engineered by Forest Products Laboratory; methods.....	January	122
Saran coatings.....	March	197
Shipping container materials testing:		
G-E Puncture Tester. R. L. Beach.....	April	147
Compression test. T. J. Gross.....	April	147
Conbur Incline Impact Tester. E. Dahill.....	April	148
Drop test. A. L. Green.....	April	148
Revolving drum test for boxes. T. A. Carlson.....	April	149
Vibration test. E. R. Stivers.....	April	149
Correlating laboratory tests with actual performance. R. C. McKee.....	April	149
Standard test methods; Packaging Institute:		
1. For water-vapor permeability at 0 deg. F.....	July	140
2. At 100 deg. F.....	August	146
Standards for case liners. B. W. Scribner, G. T. Carson and C. G. Weber:
